Dear: U.S. District Court for the Northern District of Georgia,

Answer to complaint Civil Action No. 1;14 CV-0276-SCJ from defendant Carla Kuizon.

1. I believed I entered into a legitimate loan involving an investment opportunity with Billy McClintock, one of the top three world trust and a brokerage firm.
2. My documentation to my knowledge was a legal binding transaction.
3. At no time was a "Ponzi Scheme" mentioned or inferred as described in paragraphs 85 & 86.
4. I'm not at fault here. Billy McClintock is the defrauder and he should be held responsible.

For all the above reasons I respectfully request that the court dismiss the complaint against me with prejudice.

Sincerely yours,

Carla Kuizon
